

Roth Softline Actuator

The Roth Softline actuator is used in conjunction with the Roth Softline control system to connect with radiator systems.

Description

The Roth Softline actuator is intended for use with the Roth Softline Master control unit for mounting on radiator valves. Different adapters for different makes of valves are included. The nut without adapter is M30 x 1.5.

Technical data

Roth Softline actuator	HVAC No. 7466397450
Supply voltage	2 x AAA 1,5V battery
Expected battery life	> 2 years
Protection class I	(NA)
Transmission frequency	> 868 MHz
Ambient temperature	-30 - +50°C
Ambient Humidity	< 90% RF
Temperature Storage/transport	-25 - +50°C
Temperature Degree of protection	IP61
Approvals CE	2014/53/EU

Roth Softline actuator
